GOD, I FEEL OVERWHELMED

F C/E Dm Bb

God, I'm way down again,
tryin' to pull myself up, pull myself up,

F C/E Dm Bb

These bootstraps are wearin' thin,
and I think they might bust, think they might bust

Bb Dm

People say you help those who help themselves, but I

Bb Dm

Am tearin' at the seams, fixing stitches in my dreams each night

God, I'm spread way too thin,
in pretty deep, in pretty deep,
Muscles worn, bone-tired again,
but can't seem to sleep, can't seem to sleep
Walking on a line weighs heavy on a mind made tough
God, I am afraid, I don't know if I have faith enough

Bb F

I can't make it on my own. Help me.

God, I feel overwhelmed,
just tryin' to keep up, tryin' to keep up,
Wish that I could rest my eyes,
but I can't seem to, I can't seem to
No room for a mistake, can't figure out a way to stop
God, I am afraid, I don't know if I have faith enough

COME, YE SINNERS

C C/E F C
Come, ye sinners, poor and needy
Am G F C
Weak and wounded, sick and sore
C F C
Jesus ready stands to save you,
Am G F C
Full of mercy, love and pow'r

Come ye thirsty, come, and welcome,
God's free bounty glorify
True belief and true repentance
Every grace that brings you nigh

I will arise and go to Jesus
He will embrace me and call me His own
In the arms of my dear Savior
My restless soul will find a home

Come, ye weary, heavy laden
Come, ye burdened, and alone
Look, a river, living water
Flowing out of rock and stone

I will arise and go to Jesus
He will embrace me and call me His own
In the arms of my dear Savior
My restless soul will find a home

LET THERE BE LIGHT

G D A Bm

In the beginning

G D A

In the beginning, God created

G D A Bm

In the beginning, God created

G D A D

the heavens and the earth, the heavens and the earth

G D A Bm

Now the earth was formless and empty,

G D A

darkness was over the surface of the deep,

G D A Bm

and the Spirit of God was hovering

G D A

over the waters.

And God said,

G D A Bm

Let there be light, let there be light,

G D A

Let there be light, and there was light.

God said, "Let there be light," separated the day from the night,
And the water from the sky, and the water from the dry land,
I can't understand, but I definitely agree it was good
Writing this verse while I walk through the wood
And the leaves are good, and the trees are good,
And I step into the meadow, where the bees are good
Collectors of nectar, buzzing 'bout the hive
Take a breath, take it in, you're alive
And the birds go on by, and my words wanna fly, and search the sky
'Cause I can't sing your praises enough
Before there was anything, God was
I can't sing your praises enough
Before there was anything, God was

Because of Jesus, because of Jesus, let us do what we do because of Jesus

The mountainside
Painted on canvas high above
Where oranges and reds collide
With the blue of the morn
We lift our eyes
And follow the sun, who rises
To curtsy and twirl and glide
Like she has every day since the world was born

In the coming dawn
In our hopes and our dreams and all our days
our souls cry on
and sing Your praise

You are in the spring's first rain
Laughing wind and growing grain
Mighty waves and solid stone
You are hope, You are home
You are in each rising day
Every morning Your grace remains
We sing Your love because
